

Lake Tomahawk Lions

The Lake Tomahawk Lions Club would like to invite you to participate in their Annual Harvest Festival and 4th Annual Auto Show, on **Saturday, September 16, 2017**. Advertising will be extensive.

We seek a variety of quality vendors such as artisans, crafters, farmers/growers or producers. There is an area for farmers' market offerings.

We have been working with the Minocqua Chamber of Commerce for the past five years to upgrade both the quality of our crafters and the number of attendees. We are grateful for their assistance, and will have our vendor application on www.laketomahawkwi.org online, should you wish to refer any others who may be interested.

The money raised from this endeavor is used for many causes and accounts for approximately 50% of our annual income for charitable distributions to the public. Our donations are given to local, state and national efforts. They are directed at the vision and hearing impaired, developmentally disabled, the homeless, area food pantries, family and children's crisis situations, student scholarships and community needs as they arise.

Please join us this year!

****Display space for indoor non-tented vendors may be made available, if enough interest is shown.**

Sincerely,

Pat Duncan
